RECYCLING**

REDUCE, REUSE, RECYCLE TOGETHER, WE CAN MAKE A DIFFERENCE

Kirby Group

Reduce, Reuse, Recycle: Together, we can make a Difference

Kirby Group is a leader in the recycling industry with more than 10 years of being a top Scrap Metal Processor, Trader and Exporter.

At Kirby Group, we specialize in the processing of high-quality ferrous and non-ferrous materials. With our extensive experience and expertise in the industry, we are committed to delivering the highest standards of quality and customer satisfaction. We have strategic yard locations thru out the United States, and in Asia. Our dedication to excellence extends to our commitment to sustainability and environmental responsibility. We work with our buyers and sellers to reduce waste, while providing cost-effective and efficient material trading solution.
