Here for all you batteries recycling needs

At KMR PowerPro, we provide safe and sustainable battery recycling solutions.

Batteries collected are recycled in the state-of-the-art recycling facilities with advanced technology, exceptional efficiency and precision, while minimizing environmental impact for the future generations

Our team at KMRPowerPro has extensive knowledge of the battery recycling market and is committed to providing reliable and convenient auto battery collection services. We offer consultations to identify the types of batteries and their recycling and packing requirements for pickup. Contact us today to learn more about how we can help you achieve your sustainability goals.

## OUR SERVICES

**Auto Battery Recycling:** We specialize in the recycling of lead-acid batteries from cars, trucks, and other vehicles. Our recycling process is safe and efficient, minimizing environmental impact and conserving resources.

**Battery Collection:** We offer convenient battery collection services for businesses and municipalities. Our team will collect your used auto batteries and transport them to our recycling facilities.

**Consulting:** Our team of experts can provide consulting services to help you implement sustainable and efficient battery collection and recycling programs.

## OUR PROCESS

01

**Consultation:** We work with you to understand your specific needs and develop a customized battery collection and recycling plan.

02

**Collection:** Our team will collect used auto batteries from your location, ensuring safe and efficient transportation.

03

**Recycling:** Batteries are recycled using state-of-the-art technology, ensuring safe and efficient processing and reducing environmental impact

04

**Reporting:** We provide detailed reports on battery collection and recycling, allowing you to track your environmental impact and sustainability progress.

## OUR COMMITMENT

At KMR PowerPro, we are committed to sustainability and environmental stewardship. By providing reliable and efficient battery collection services, we help businesses and communities reduce waste, conserve resources, and improve their environmental impact.

## CONTACT US

If you have any questions or inquiries, please don't hesitate to contact us. Our team of experts is always here to help you find the best possible solutions for your business.
